About Our Programs Here At Ada Merritt K-8 Center

Before/After School Care

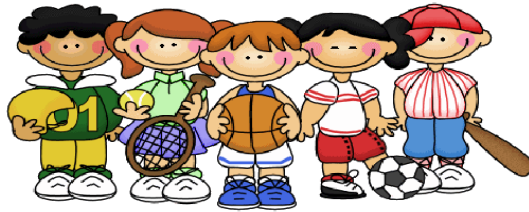

Ada Merritt K-8 currently provides After School Care services for over 200 students each academic year. Our After School Program (ASP) offers academic and recreational programs for children before and after school.

In addition, ASP offers special programs for early release days and Story Hour. Ada Merritt K-8 Center's highest priority is providing a safe and engaging environment. We work in partnership with government agencies, such as Early Learning Coalition (ELC) to help families meet their specific needs. Our program strives to include and cover academic, recreational fitness and nutrition by providing each child with a well-balanced and complete nutritional snack. All our employees have been approved by the school district for employment. All staff members are trained and updated on proper student supervision. Many staff members have completed the HRS requirement hours, and have obtained CPR and CDA certifications.
