

New After Care Program Dismissal Procedures

Beginning, **Monday, August 29, 2016**, we are revising our After School Care Program dismissal procedures. Our standard entrance on Southwest **Third** Street will be open until 5:00p.m. only. ***As of 5:00p.m., the entry point to our school will shift to the Circular Driveway on Southwest Fourth Street.*** This will provide additional flexibility and convenience when picking up your child from the After Care Program. You may still choose to park on Southwest **Fourth** Street, and sign out your child from the After Care office in Room 104.
